Dear Naresh Chadha,

I write to thank you for all that you are doing (and have been doing) on behalf of the temple's struggle for freedom of worship. Without the support of friends such as yourself our case would not have come this far.

Currently we are all anxiously awaiting the decision of the DoE - as I gather the inspector's report is now in their hands. I hope that all the strong cases which have been put forward and endeavours which have been made by all of us inspire Mr. Gummer to make the right decision and grant the application for building the road and allowing freedom of worship.

In order to acknowledge all that you've done for the temple, I'd like to invite you to join me at the temple for Rama Navami (the festival of Lord Rāma) on Thursday, 28th March. It will be an opportunity for you to meet some of the community leaders involved in our campaign and to get first hand experience of the Manor and what we're proposing. I can arrange for a vehicle to collect you at around 10.30am. I'll take you on a tour of the temple and show you the plans for the new access road (as well as discussing any further details of our case). Then we'll serve you lunch before returning you back to London by 3.00pm.

Please let me know within the next few days whether you can attend at the proposed day and time or not. RSVP.

With warm regards

Dāmodara dāsa
Temple President
